

Orthopaedic Knowledge Online

Submission of Unsolicited Proposals to OKO

Orthopaedic Knowledge Online (OKO) welcomes your unsolicited topic proposal. You may submit a topic proposal using our web-based submission system, Editorial Manager. We will contact you with a decision from an *OKO* Section Editor within 30 days.

If your topic proposal is accepted, we will invite you to submit the completed work through Editorial Manager. Your complete work will be peer-reviewed, and an *OKO* Section Editor will make a decision regarding publication.

Log in to Editorial Manager at any time to view the status of your proposal submission.

Registration: You must register to use the web-based submission system by clicking this link: www.editorialmanager.com/oko. Once you have registered, we will send you a confidential username and password via e-mail that will enable you to access the system and submit your topic proposal.
